

## CLAIMS

1. A masking member made of a modified polypropylene, in which 5 to 30 % by weight of polyethylene and/or ethylene-propylene copolymer is mixed in with polypropylene.
2. A masking member in accordance with Claim 1, wherein 20 to 50 % by weight of an inorganic filler is mixed in with said modified polypropylene.
3. A masking member in accordance with Claim 1 or 2, wherein said masking member is manufactured by vacuum and/or pressure forming a modified polypropylene sheet.
4. A masking member in accordance with Claim 3, wherein a non-modified polypropylene film covers one or both sides of said modified polypropylene sheet.
